Retirement from Service of Sri Kaniyar Narasimha Iyengar, Surgeon before his date of Superannuation. 2098. C.B.

Confidential letter no. C 1732-8 dated 31.10.1949 from the Senior Surgeon in Mysore Bangalore stating that the reports he has had about the work and efficiency (professional and administrative) of Sri Kaniyar Narasimhaiengar, Surgeon, Victoria Hospital have been far from encouraging and that he has been informed that the officer pays little or no attention to any work and that his continuance in the Dept has been of no importance to anyone and recommending that Sri Kaniyar Narasimhaiengar may be permitted to retire from Service under Rule 311 of the M.S.R.

Submitted.

1 It is stated that Sri Kaniyar Narasimhaiengar has continuously given occasion for adverse reports being sent against him and that the chances given to him to show improvement in his work and efficiency have had no effect on him and that he continues to be inefficient and of little help to the Dept or to the public. under these circumstances the Senior Surgeon opines that his

further continuance in service is mainly desirable nor necessary.

2 Dr. Seshachalam, Director of Hospitals in Bangalore who was consulted by the Senior Surgeon re: the work of Sri K. Narasimhaiengar opines that the professional and administrative efficiency of the officer is still and that he has no capacity for good work and that his further continuance in service is not desirable.

3 Sri. Kaniyar Narasimhaiengar attains the age of superannuation on 26.5.1952. and has put in more than 24 years service.

4 The Confidential reports of the officer are placed below. As can be seen therefrom the Confidential reports of the officer from the years 1930 to 1937 are uniformally good and satisfactory and from 1937 onwards the Confidential reports of this officer are uniformally adverse. In the year 1946, the Senior Surgeon has recorded about Sri Narasimhaiengar as follows:—

"one of the most incompetent officers. professionally very poor and administratively a thorough failure. He will not and really cannot improve. He is absolutely unfit for any further promotion."

Retirement from service of Sri. Kaniyar Narasimhaiengar, Surgeon.

2098 C.B.

On the year 1947 the Senior Surgeon has reported as under: —

"one of the most inefficient and useless officers. He was very unpopular in Chitaldrug as a Dist officer. A total failure both professionally and from an administrative stand point."

On the year 1948, the Senior Surgeon has reported that Sri. Narasimhaiengar is one of the very few incompetent officers in the Dept.

Dr. Seshachalam, Director of Hospitals has recorded in the Confidential reports of Sri Narasimha Iyengar for the year ending 30th June as under: —

"He has had no any training to do hospital work. He is now too old to learn and improve.

5) C.B. file no. 402-46-1 relating to withholding the increment of Sri Kaniyar Narasimhaiengar for the year 1945-46 is placed below for perusal. Kind reference is invited to Final Note dated 15.7.1947 relating to the circumstances under which the increment of the officer was withheld. On account of the adverse remarks about the character

and work of Sri. K. Narasimhaiengar for the years 1944-45 and 1945-1946 his increment was ordered to be withheld but he is considered to be fit for promotion (vide G.O. no. 460-1/C-B. 402-46-1)

6 under Art 311 of the M.S.R. Govt may, in special cases, require any officer to retire from service, if he has reached the age of 50 or put in 25 years of qualifying service, if such retirement is considered necessary in the public interest.

7 Sri K. Narasimhaiengar is now 52 years and has put in more than 25 years service.

8 under the circumstances the recommendation of the Senior Surgeon to permit Sri K. Narasimhaiengar, Surgeon, Victoria Hospital, to retire from service before the date of his superannuation is for orders.

9 This will be a council matter, and the premature retirement of the Officer requires financial concurrence.

11) The confl. Reports on the character and work of Sri K. Narasimha Iyengar, Surgeon, are for perusal. The reports are uniformly good upto to the year 1937 and thence forward they contain adverse remarks. It was on account of adverse remarks about the work of this officer for the years 1944-45 and 1945-46 that the increment raising the pay of this officer from Rs 450/- to Rs 500/- in the grade of Rs 450-50/2-550, that was sanctioned by the Sr Surgeon, was ordered to be withheld without insisting upon the refund of the amount drawn by this officer (Vide G.O. No 460-1/CB 402-46-1 dated 28-7-47)

"D."

Again when the question of confirmation of this officer as Surgeon caucap it was sanctioned though the confl. Reports were adverse. In spite of it the officer does not seem to have improved. Both the Sr Surgeon and the Hon. Surgeon and Dir of Hospitals state that Sri Narasimha Iyengar pays little or no attention to any work either

professional or administrative and this continuance in the institution has been of no importance to any one. It is, therefore, recommended that he may be permitted to retire from Service under Rule 311, M.S.R.

12) Sri Narasimha Iyengar will attain the age of superannuation on 26-5-1952 and has put in a Service of nearly 24 years and 2 months. He has been drawing a pay of Rs 560/- in the grade of Rs 500-30-800 from 1-1-49. As he has not put in 25 years of Service, he will not ~~get~~ get full pension. But under Rule 272, M.S.R. Govt may condone deficiency in Service upto 12 months. In the case of Sri Narasimha Iyengar the period of deficiency required is within the limit admissible. If the concession of condonation is extended to him he becomes eligible for full pension provided the entire period of Service put in by him is an approved one. This may have to be got verified by the Audit Office.

13) In view of the continuous adverse reports and of the joint recommendation of both the Sr Surgeon and the Hon. Surgeon and Director of Hospitals and as the lenient view taken on several occasions in the past in the case of this officer had no effect on him, there appears to be no go but to permit this officer to retire from Service, as recommended by the Sr Surgeon and the Hon Surgeon.

14) This being Council matter orders are solicited if it is to be disposed of by circulation or considered at a meeting of the Council.

Sir,

Sub.- Retirement of Sri Kaniyar Narasimha Iyengar, Surgeon.

With reference to Government Notification No.M.16708/Med.2-48-30 dated 18th March 1949 posting Sri Kaniyar Narasimha Iyengar, B.A., M.B.B.S., Surgeon to the Victoria Hospital, Bangalore, I have the honor to state that in view of the adverse records against this officer, I requested the Honorary Surgeon and Director of Hospitals in Bangalore in my letter dated 28th April 1949 to keep him under observation and send me a report as to his efficiency (professional and administrative) after some time. It is now nearly 6 months since Sri Kaniyar Narasimha Iyengar was posted to the Victoria Hospital and the reports I have had of his work and efficiency have been far from encouraging. I have been informed that he pays little or no attention to any work either professional or administrative and that his continuance in the institution has been of no importance to any one. I therefore requested Dr. Seshachalam to send me a report about this officer. I submit herewith a copy of letter dated 26th October 1949 received from Dr. Seshachalam which speaks for itself. I have gone through the previous confidential reports and other records re. Sri Kaniyar Narasimha Iyengar and find that he has continuously given occasion for adverse reports being sent against him and the lenient views taken by Government on several occasions and the chances given to him to show improvement in his work and efficiency have had no effect on him. He continues to be inefficient and of little help to the Department or to the public. In these circumstances I am of opinion that his further continuance in service is neither desirable nor necessary. He has put in more than 24 years service and his recorded age is above 52 years although he appears to be much older. I recommend that Government may be pleased to permit him to retire from service under Article 311 of the M.S.R.

Yours faithfully,
B Jayalam 31.10

ORDER NO.1156-87/43.305-48-1.
DATED 27th FEBRUARY, 1950.

Sri Kaniyar Narasimha Iyengar, Surgeon, Victoria Hospital, Bangalore has continuously given occasion for adverse reports. On account of unfavourable reports about his work during the years 1944-45 and 1945-46, his increment was ordered to be withheld. Dr. Seshachalam, Director of Hospitals has entirely agreed with the opinion of the Senior Surgeon. under these circumstances, the Senior Surgeon has recommended that Sri Kaniyar Narasimha Iyengar may be permitted to retire from service under Art 311 of the M.S.R.

~~Sri Kaniyar Narasimha Iyengar will attain the age of superannuation on 28.9.1952 and has put in more than 25 years service. He has been drawing a pay of Rs 550/- in the grade Rs. 500-30-800/- and a personal pay.~~

The confidential reports of Sri Kaniyar Narasimha Iyengar are uniformly good up to the year 1937 and thence forward on his duty contain adverse remarks. ~~In this~~ connection it may perhaps be relevant

In the form of his Confidential reports about his officer, extracts of which are given below :-

~~[illegible]~~

1945-46 " One of the most incompetent officers. professionally very poor and administratively a thorough failure. He will not and really cannot improve. He is absolutely unfit for any further promotion".

1946-47 " One of the most inefficient and useless of officers. He was very unpopular in Chitaldrug as a Dist officer. A total failure both professionally and from an administrative point."

1947-48 " Sri Narasimha Iyengar is one of the very few incompetent officers in the Dept."

1948-49. " He has had not any training in the hospital works. He is now too old to learn and improve."

It was on account of adverse remarks about the work of this officer for the years 1944-45 and 1945-46 that the increment raising the pay of this officer from Rs 450/ to Rs 500/- in the grade of Rs 450 - 50/2 - 750, that was sanctioned by the Senior Surgeon, was ordered to be withheld without visiting on the refund of the amount drawn by this officer. ~~Again~~ when the question of confirmation of this officer as Surgeon came up it was however sanctioned though the confidential reports were adverse.

in spite of it the officer does not seem to have improved. Both the Senior Surgeon and the Hon. Surgeon and Director of Hospitals state that Sri Narasimha Iyengar pays little or no attention to any work either professional or administrative and his continuance in the Dept has been of no importance to any one. It is therefore recommended that he may be permitted to retire from service under Art 311, M.S.R.

under Art 311 of the M.S.R. Govt may, in special cases, require any officer to retire from service, if he has reached the age of 50 or put in 25 years of qualifying service, if such retirement is considered necessary in the public interest.

Sri Kanigar Narasimha Iyengar will attain the age of superannuation on 26.5.1952 and has put in more than 21 years of service. He has been drawing a pay of Rs 560/ in the grade of Rs 500-30-800 from 1.1.1949. He is and is eligible only to a pension of Rs 191/ p.m. as he has only put in a qualifying service of 21 years and odd if he is permitted to retire immediately.

under Art 272 of the M.S.R. Govt may condone deficiency in service up to 2 months. As the deficiency required is not within the limit admissible, even the concession of condonation under this article cannot be extended to in this case.

In view of the continuous adverse reports and of the joint recommendation of both the Senior Surgeon and the Hon. Surgeon and Director of Hospitals and as the lenient view taken on several occasions

in the past in the case of this officer had no effect on him, which appears to be no alternative but to permit this officer to retire from service, as recommended by the Senior Surgeon and the Hon. Surgeon. The Finl Secy has also agreed with the above proposal. Whereon the file was submitted to the Minister for P.H. and Excise, he has minuted as under :—

"The previous Senior Surgeon had paid a poor compliment to the efficiency and professional capacity of this officer. His confidential report relating to the later period of service is anything but good. He has a vacant look about him and seems to be suffering from some mental defect. The Senior Surgeon and the Director of Hospitals also have not much to say about him and have recommended for his retirement. I made enquiries with the Medical officers of the Victoria Hospital also. His opinion, too has confirmed me in the belief that his retention in service is nothing good for him nor for the Dept".

The chief minister has ordered that the matter may be disposed of by Circulation.

The concurrence of the Hon'ble Ministers to the above proposal is requested.
